Bonita Sunrise Rotary Club

VOLUME 22, NUMBER 33

SEPTEMBER 20, 2007

President Jack opened the meeting with the pledge by Beverly followed by a moment of silence for reflection.

PRESIDENT PLAQUE

Jack called Beverly to the podium to present her with the 2006-2007 President's plaque. This is an attractive walnut plaque with raised gavel and an inscription thanking Beverly for her outstanding service.

CLUB BUSINESS

Jack reviewed Board actions concerning the club's future. The Board also suggested that this year's fundraiser change from the Antiques Roadshow to a sit-down dinner. President-elect Marta is planning this.

GREEN MOMENT

Pat Moriarty, a confessed tree hugger, shared some benefits of planting trees. Trees are called the lungs of the planet. A fully grown tree can trap up to 48 lbs. of CO₂ a year. They also help prevent urban runoff, and a tree shaded house may result in significant reduction in air conditioning costs.

WHO AM I?

Bev correctly guessed Alan.

MEMBERSHIP

Marta announced the standings: First Rotary Rooters followed by Red Rockets, Blue & Gold and Purple Team. Remember, the purpose is to bring in a new member!

FINEMASTER

Finemaster Humphrey, while going through the book basket at our fundraiser, found a receipt in one of the books. It was in Tom Miller's name and was for \$59.95. Tom was fined this amount. A warning to our progressive

dinner hosts - lock your desks and remove any bank records lying around, or Robert will scrounge them and broadcast them to the world.

RAFFLE

Winners were Patty Davis and Tom Cruz

ANNOUNCEMENTS

There wasn't a dry eye in the house when Randy reviewed his NFL bets for week 2. Dave Ruch reminded us of our Christmas in October project. He can use all of us, so call him.

Marta and Tom Miller will attend an awards dinner at the Chula Vista police community room on September 20.

October 9 is District Council. Marta says this meeting's topic is "Health." Featured will be wounded veterans from Iraq and Afghanistan. Make your reservations through Marta.

Progressive Dinner sign-up sheet was available at today's meeting. The Dinner is October 7th.
