ANNOUNCEMENTS

Dave Rossi says raffle ticket sales for the foundation gala must be made no later than our November 8th meeting.

Marta and Monica announced our holiday party December 16th is not to be missed.

Marta announced that Rotary Rooters were last month's winners.

FINEMASTER

Finemaster Humphrey fined Mike Bell for his detective work. Mike's trailer loaded with motorcycle gear was stolen this past spring. On his way to Rotary October 25th. Mike saw his trailer being used as a contractor's trailer and followed it to its destination. He called the police. It was being used by a plumbing contractor. He was arrested. Mike got his trailer back much worse for the wear.

Jeanne was recognized for arranging the Dead Sea Scrolls tour and the refreshments

at her home afterwards.

Drawing - Dave Rossi and Dr. E's protege, Pat Moriarty won the raffle.

PROGRAM

Jeanne introduced old friend, Dr. Terry Tanaka, the driving force of The Thousand Smiles Foundation. In Mexico, one in every 650 newborns has a facial deformity. These deformities, cleft lips and palates are the result of heredity, maternal nutrition, and environmental factors.

In 1985, with donations plus a grant from Rotary International, Thousand Smiles was conceived by Terry and several others.

Thousand Smiles provides free surgery for cleft lip/palate deformities and dental services for needy children.

The Thousand Smiles Foundation is Rotary at its finest.

NEW MEMBER

Dave Rossi has proposed Debra Rocha Munoz for membership. Debra is a speech therapist. Any comments should be directed to Jack Blakely..
