## Tom Miller Takes the Helm as New President

There was plenty of wine, food and good company at the Chula Vista Sunrise Rotary Installation/Outstallation recently at the Chula Vista Yacht Club. Special guests included Assistant District Governor Kathy Olsen. We bid farewell to the presidency of Jeanne Kearley and installed Tom Miller as the new president. Tom somehow won the raffle "losers draw" he hosted. Before we start yelling "fix" it is also worth noting he already lost his gavel. Marta Knight recapped the year and Alan Harmata honored members for

outstanding attendance. Attendance awards included Jeff Thiel for a year, and veterans with decades of outstanding attendance such as Rowena Bell.

## Veterans benefits available for longterm health care needs

Amos Johnson Jr. (pictured below with Bob Humphrey) was the speaker for CVS recently on the subject of longterm health care. The discussion focused on little known benefits available to veterans.

Many veterans often miss out on this assistance because they do not know of the program or are put off by the requirements. However, the monthly income benefit could greatly assist with care costs.

## PRESIDENT'S CORNER

President Tom is need of a search party. We can only hope his gavel returns shortly, and that he does not take to reciting long poems like his predecessor as a woeful means of getting the item back.

## World Cup Wagers

Our bettor brother, Randy Cherniss, correctly picked the Netherlands to reach the final of the World Cup.

Spain won the championship, but Randy had a great run with the *Oranje*, as the Dutch call their national team.

## Help Spread the Service Above Self Message

In quoting RI President Ray Klingensmith, "...we need to share our core values of service, fellowship, diversity, integrity, and leadership with other people and organizations." That collaborative spirit will make this next year of Rotary service a great one indeed.
