## Trivia Night III Raises \$6,000

*Fundraiser Helps Support Local Charities and Rotary Projects Around World*

Correctly answering brain teasers about everything from power tools to the Magic Kingdom, Table 7 (pictured at right) beat all comers to take the top honors in the Trivia Night III fundraiser. They just edged out the Sumwalts' table, which seemed to have lost the lead right at the very end.

The Norman Center location was filled as 16 tables were sold. Guests included Mayor Cheryl Cox (bottom far right) and County Supervisor Greg Cox, as well as Rotarians from Chula Vista Noon club, and friends from near and far. Master of Ceremonies Dave Ruch

(inset left) kept the event flowing on time and jovial.

An amazing 25 silent auction baskets were bid upon. Thank you to the many CVS Rotarians who made the event a resounding success.

## PRESIDENT'S CORNER

I want to thank all who participated in making Trivia Night III a success. We cleared over \$6,000, and we are planning to do it again next

October.

As you may know, Sunday, 24 October 2010 is World Polio Day. In honor of World Polio Day, The Rotary Foundation is happy to announce 2 for 1 recognition points for every online contribution of US\$100 or more made to Polio Plus during 18-24 October 2010, Central Standard Time.

LEAD was attended by 17 Rotarians and 95 8th grade students from San Diego County, Imperial County, and Blythe (see the attached photo). The students were wonderful and they learned a great deal about themselves and about coping with life's challenges. The Rotarians came home encouraged by the knowledge that we live among such promising young people.

This is the last week to register for OUR District Conference -- registration closes October 15th.

Please be aware that Art Garcia has resigned from our club. He was a good Rotarian for many years and we will miss him. Good Luck and Best Wishes to Art.

All Rotarians can now post FREE YELLOW PAGE ADS on the District website! This is District 5340's very own "Economic Stimulus Package"! Look at the ads frequently when you are looking for a product or service. What better people to

do business with than a fellow Rotarian!

### Treasurer's Report (from Board of Directors meeting)

Operating Checking: \$5,936.52  
Community Benefit Money Market Savings: \$4,002.17  
Community Benefit Checking: \$5,285.49  
Bus Money Market Community Benefit: \$22,961.03

### Are You Prepared? Don't Leave It To Chance

Schools in the Chula Vista Elementary School District are scheduled to participate in the "Great California ShakeOut" on October 21, 2010, which features the largest earthquake drill ever. The intent is to inspire students, parents, staff and community to get ready for big earthquakes, and to prevent disasters from becoming catastrophes.

What we do now, before a big earthquake, will determine what our lives will be like afterwards. The ShakeOut drill will occur in houses, businesses, and public agencies alike throughout California at 10:21 a.m. on October 21.

In an earthquake, you may only have seconds to protect yourself before strong shaking knocks you down, or something falls on you. Be sure to practice quake-safe actions, such as the Drop, Cover, Hold On drill. Don't wait until the shaking -- register at [www.ShakeOut.org/register](http://www.ShakeOut.org/register).

### Polio Today

World Polio Day is October 24. Consider how far we have come. Today, endemic wild poliovirus has been eliminated from all but four countries in the world (Afghanistan, India, Nigeria and Pakistan), and less than 2000 cases were reported worldwide in 2008. Though great progress has been made, challenges remain.

Overall, the quality of immunization campaigns must be improved, and more funding is critically needed. In response, governments, donors and international agencies have endorsed a plan with clear milestones to tackle these and other challenges to a polio-free world.
